American Specialty
INSURANCE

What special feels like.

America's special moments can truly be enjoyed when you have peace of mind—something only the right insurance can bring. With over 30 years working in Sports, Leisure and Entertainment insurance, we apply our expertise to make people's lives easier, for agents and clients alike. We offer best-in-class coverage that is designed to meet the unique needs of the industries we serve.

Help your clients spend more time doing what they love, and less time worrying about it. That's what special feels like at American Specialty.
