

EXPERIENCE THE FHM / LUBA Difference

Exceptional Customer Service You Can Count On

We make it easy to do business—so you can focus on your clients.

- **Real People, Real Support:** Calls answered by a live representative.
- **Direct Access:** Easy communication with our audit and billing teams.
- **FHM Connect Client Portal:** 24/7 access to policies, billing, loss runs, and claims reporting.
- **Flexible Payment Options:** Monthly & quarterly plans with no installment fees and no down payments.
- **Self-Reporting Made Simple:** Convenient monthly self-reporting through FHM Connect.
- **Compass Payroll Integration:** Optional Pay-As-You-Go billing—streamlined and hassle-free.
- **Online Resources:** Visit FHMIC.com for safety resources, tools, forms, and helpful materials.

Underwriting That Works With You

Our underwriters are empowered to make decisions and are ready to help you write business.

- **Experienced Underwriters:** Approachable, responsive, and willing to listen.
- **No Caps on Experience Mods:** We evaluate the whole picture not just the mod factor.
- **Eligibility Made Clear:** Accounts must have three or more full-time employees, excluding the owner.
- **Coverage History Requirements:** Minimum one year of continuous WC coverage; three years to qualify for our most competitive pricing and dividend programs.
- **Waivers Included at No Cost:** No charges for blanket or specific waivers of subrogation.

Claims Expertise That Delivers Results

Our dedicated team ensures every claim is handled quickly, carefully, and with your client's best interests in mind.

- **Specialized Adjusters:** Workers' compensation is all we do—and we do it well.
- **Low Caseloads:** Adjusters maintain manageable lost-time claim volumes for focused attention.
- **Proactive Approach:** Early intervention, strong fraud detection, and active claims management.
- **Cost-Saving Strategies:** We work to keep claims medical-only to leverage NCCI's 70% discount.
- **Direct Support:** Easy access to our Claims Manager for consultations and case reviews.
