

Commercial Lines – Agent Online Bind Guide

NEW Agent Online Binding Feature: Step by Step

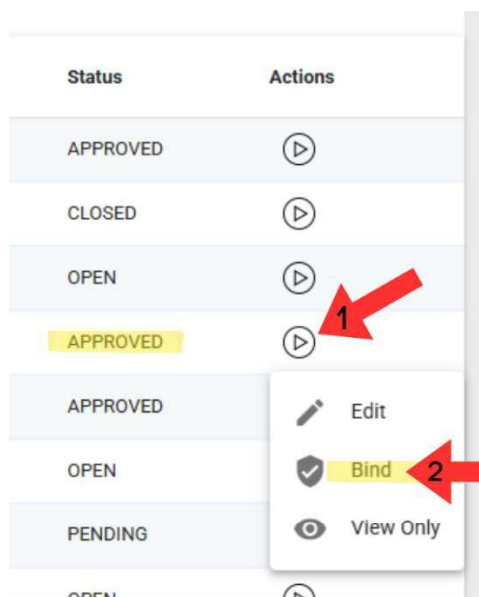

Getting Started

1. Log into the **Agent Portal** through www.thig.com, and select the **Commercial Lines Portal**.
2. Once you're in the Commercial portal, scroll down and navigate to your agency's **Quote List**.

The screenshot shows a table titled "Quote List" with the following columns: Quote Number, Customer Name, Term, Effective Date, State, and Product. The table contains three rows of data:

1001000002	QPL, LLC	1	2026-07-19	FL	Commercial P

The screenshot shows a table with two columns: Status and Actions. The Status column lists various quote statuses: APPROVED, CLOSED, OPEN, APPROVED (highlighted in yellow), APPROVED, OPEN, PENDING, and OPEN. The Actions column shows a play button icon for each status. A red arrow labeled "1" points to the play button icon next to the highlighted "APPROVED" status. Another red arrow labeled "2" points to the "Bind" option in the dropdown menu that appears when the play button is clicked.

3. On the far-right side of the Quote List, certain quotes may display an **APPROVED** status. Eligible quotes in **Approved** status will display a new **Bind** option when selected.
 4. Click the **Actions** button next to the desired quote and select **Bind** to launch the Agent Bind screen, which will open a new browser tab.
- i. **Note:** The Bind option is only available on APPROVED quotes. If you do not see a Bind option on a quote you believe should be ready, please contact your underwriter to have them review.
