- Machine shops and fabricators

Construction, Specialty Trades and Professional Services

- Utility service contractors
- Power generation, including coal, gas and hydroelectric operations
- Welders and specialty trade contractors
- Site preparation and reclamation
- Consultants and engineers

Why Choose Us

Deep Underwriting Relationships

With over 100 carrier appointments and underwriting relationships spanning 15+ years, we maintain access to limited-distribution energy markets not available to general brokers. These long-standing connections allow for quick negotiation and creative placement solutions.

Specialization in Hard-to-Place Risks

We understand non-standard exposures better than most. Our team excels in designing coverage that satisfies Master Service Agreements (MSAs) and other technical requirements in energy and industrial sectors.

Speed and Service

Our focused, relationship-driven model ensures every account receives senior-level attention, faster turnaround, and responsive communication, a differentiator that fuels our continued growth.
