

HUB Condominium Facility

Exclusive London capacity for condominium and HOA risks. Brokered by *Miller*.

Premiums have surged, deductibles have climbed from five figures into six, and carriers continue to exit the market in high-risk states. The HUB Condominium Facility — an exclusive HUB program brokered by Miller in London — unlocks new A-rated capacity to help HUB win and retain condominium and HOA business that the domestic admitted and E&S markets are declining.

WHY THIS FACILITY WINS BUSINESS

Direct access to Lloyd's syndicate capacity through Miller — placing distressed, hard-to-place, and previously declined HOA accounts, while also competing toe-to-toe with admitted and E&S markets on standard risks. Limits up to USD \$100M, A rated, exclusive to HUB.
