

m Dividend Program

FLORIDA SMALL BUSINESS

Loyalty pays.

Dividends up to 23% for your
best small business clients

Now Available for Most Workers' Compensation Class Codes in Florida

PROGRAM OVERVIEW

Finally, a dividend program designed specifically for Florida's small businesses.

Developed in partnership with CNA, Method brings you a competitive dividend program* that recognizes your clients for maintaining safe workplaces and favorable loss experiences.

Our Game-Changer: Unlike other dividend programs with limited eligibility, Method & CNA's program applies to virtually all class codes – giving you the flexibility to offer this valuable benefit to a significant number of your small business clients.

Broad Eligibility Across Industries

- Available for most work comp class codes*
- No cherry-picking — we welcome diverse business types

Built for Small Business

- Perfect for Florida's small to mid-sized employers
- Designed for premiums from \$5,000 to \$100,000
- No complicated retrospective rating calculations

Experience Flexibility

- Only 3 years business or owner experience required
- New-to-Method accounts welcome

Substantial Dividend Potential

- Up to 23% dividend for accounts with zero losses
- Competitive returns even with moderate loss experience

Financial Security

- Backed by an A-rated carrier
- Board awarded dividends paid from earned surplus
- Stable, reliable program you can count on

	>40%	0.00%	0.00%	0.00%

PROGRAM REQUIREMENTS

Eligibility Criteria

- Minimum \$5,000 earned standard premium (after premium discount)
- 3+ years business or owner experience
- Policy must complete full 12-month term
- No Notice of Cancellation
- Current on all premium payments
- Compliant audit
- Not available for minimum premium policies
- All Standard Exception Classes excluded
- Multi-State policies eligible, but only FL exposures count towards dividends due to state availability

Dividend Calculation

- Based on Incurred Loss + ALAE ratio divided by Earned Standard Premium
- Evaluated 18 months after policy effective date
- Paid upon Board of Directors approval

* Dividend program issued by National Fire Casualty Insurance Company of Hartford. Dividends are not guaranteed and will be distributed only when approved by the Board of Directors. All dividends shall be paid from earned surplus. Dividend Schedule includes percentages of Earned Standard Premium, calculated using the Incurred Loss + ALAE, as determined by the company, evaluated at 18 months after policy effective date, divided by the Earned Standard Premium. Policies consisting only of standard NCCI exception class codes (8810, 8871, 7380, 8742) are not eligible. Program available in Florida and Wisconsin only.

The Florida small business market is competitive.

Give yourself an edge with Method & CNA's dividend program.*
