

Underserved market. Outsized opportunity.

Did you know that the cannabis industry employs over half a million people in the United States?

Even though cannabis businesses are legal in the majority of states, finding quality, affordable guaranteed-cost workers' comp insurance can still be challenging. Method has been serving this industry – saving many accounts from the pool – since 2019. Our expert underwriters have years of experience, understanding this market's unique challenges and needs for classification accuracy.
