Business Auto Specialist

Meet Mitchell Annan

Mitchell Annan is a Senior Broker specializing in Business Auto with CRC's Kansas City office. With 15 years of experience in the insurance industry, including two years in underwriting and 13 years in the wholesale space, Mitchell brings deep transportation expertise and a solutions-driven mindset to every account.

In his role at CRC, Mitchell partners with internal teams to solve complex business auto needs, helping round out accounts and deliver a full-service portfolio to retail partners. He is known for his responsiveness, speed, and ability to devise creative solutions that better serve clients, even in challenging or time-sensitive situations.

Prior to joining CRC, Mitchell spent more than a decade with another wholesale insurance firm where his team was recognized as the 2025 Transportation Broker of the Year. Mitchell holds an undergraduate degree from Buena Vista University and a master's in public policy from Pepperdine University. He has earned both the CPCU and ASLI designations through The Institutes.

While Mitchell is proud of the career he's built, he considers his greatest accomplishment to be the family he has built with his wife Chelsey. Outside of work, he enjoys spending time with his family and getting in a round of golf when time allows.
