Frequently Asked Questions

How can customers connect their ELD device to their GEICO policy?

We'll email the customer a link to their ELD provider's login page, next they'll just need to:

1. Click on the link and log in with their ELD account credentials.
2. Agree to share driving data with GEICO.

That's it! We'll send a confirmation email once the ELD is successfully connected.

What is telemetry?

Telemetry is the automatic tracking of driving hours and vehicle activity.

Which ELD providers does GEICO connect to?

GEICO partners with more than 150 ELD providers, including top providers like Motive, Geotab, and Azuga.
