Helping industry leading specialty businesses **grow**.

Who We Are

Founded in 2015 with the singular purpose of building a world-class specialty insurance intermediary by acquiring best-in-class underwriting and niche businesses and providing the resources they needed to grow.

In just a few years, we have grown to a portfolio of 35 companies, managing $7.0BN GWP, with organic growth of over 10% since our founding and 1400+ employees in 39 offices across the United States.

The core values of SPG include integrity, teamwork, accountability, and service underpinned by an entrepreneurial spirit and people-first culture.

We are growing our position in nearly every specialty market and have expanded our platform beyond P&C Wholesale Brokerage and Underwriting to include Digital, Life & Health, Specialty Retail & Service companies.

We are..

1. A **major force** in:
   - Specialty insurance brokering
   - Underwriting
   - Consulting Facilities
2. A **leading MGA and Wholesaler** in the U.S.
3. At the forefront of **digital distribution**.
4. A **proven acquirer** that **helps our partners grow**.

Underwriting

As of 2026, we manage ~ **$2B** of premium on behalf of our capacity partners, achieving an industry-leading 59.3% ultimate loss ratio across the portfolio. We anchor ourselves in being the **best-in-class** stewards of our partner's capital, and that value proposition is **core underwriting execution and discipline**.

Precision. Expertise. Commitment.

Specialized Underwriting Businesses

Specialized underwriting businesses with **deep industry knowledge** of their market niche deliver proven underwriting results. We take pride in leading our businesses with the same rigor and discipline as a carrier.

Bespoke Distribution

We believe in distribution that makes sense for the product and the culture of the niche segment. Whether this is digitally direct to consumers, through wholesalers, retailers, or strategic partnerships, our distribution is **thoughtfully curated through key relationships**.

Leading Product Development

Our product development team **works closely with our experts** to anticipate emerging market opportunities and build thoughtful, quality submissions through a rigorous development process that ensures we are bringing strong new opportunities. to the marketplace.

Alignment of Interest

We believe in **aligning our compensation plans** throughout the organization with our carrier's profitability.

Actuarial, Data Analytics and Claims Capabilities

Our team consists of proven, **experienced industry specialist** who provide the underwriting teams with clear and consistent insights into their underwriting results, enabling us to **execute with discipline and rigor**. We are proactive in our actuarial disciplines, allowing us to be proactive underwriters. Our claims leaders complement our claims administrators with technical expertise and claim oversight to ensure claims excellence and high customer satisfaction.

Entrepreneurial Spirit

Last but certainly not least, we provide our operators the breathing room to run their business in ways that work for them and provide resources to make their goals into reality. **This is our culture**.

Wholesale

SPG's wholesale brands are some of the most well-known specialty wholesale brokers in the business and core to our culture. As of 2026, we manage **~ $7B of premium** in the US. We anchor ourselves in being the best in class relationship managers and that value proposition is core to our mission and vision.

Our relationships are your advantage.

Specialized Brokering

We employ brokers that understand the E&S marketplace in their niche and that **live and breathe** their segment.

Alignment of Interest

We believe in aligning our relationships to **mutually beneficial outcomes** for both our agents and carrier partners. If that alignment can't be found, we decline.

Bespoke & Trusted Distribution

We believe in distribution that make sense for the product and the culture of the niche segment. Our retail distribution is **thoughtfully curated through key relationships** anchored in trust.

Specialization

Our leadership team and brokers consist of **specialized expertise** in the areas of Construction, Professional, Environmental, Flood, & Contract Binding with the largest domestic markets and Lloyds syndicates.

Entrepreneurial Spirit

Last, but certainly not least, we provide our operators the breathing room to run their business in ways that **work for them** and provide resource to make their **goals into reality**.
