

Exclusive Capacity for Human Services Organizations

The human services sector continues to face tightening General/Professional Liability capacity, increasing scrutiny around Sexual abuse capacity, and rising minimum premiums. Through an exclusive partnership backed by leading “A” rated specialty E&S carriers, Amwins delivers stable, scalable Professional and General Liability capacity with dedicated Sexual Abuse & Molestation (SAM) limits tailored to the unique needs of Human Services and Behavioral Health organizations.

With flexible deductible options, specialized class-based endorsements, and comprehensive financial underwriting review, this program provides structured, long-term capacity for complex exposures.
