

## Commercial coverage guide

Updated as of November 2025

### About Authentic

Authentic partners with leading insurance brokerages to design and manage custom, tech-enabled insurance programs. Our platform empowers brokers to offer tailored, proprietary solutions in specialized markets, while improving their economics through higher commissions and reduced operational costs. Backed by A and A- rated admitted carriers operating nationwide, we combine superior technology, exceptional service, and deep market expertise to help brokers grow their business and better serve their clients.
