

Small business Big opportunity

Small businesses employ 61.7 million Americans. That's nearly half the working population.

Because of their size, small businesses are often overlooked. Method is committed to keeping workers safe, healthy and on-the-job — no matter the size of the risk. That's why we offer a Small Business Comp program backed by the same excellent customer service you expect from Method.

PROGRAM HIGHLIGHTS

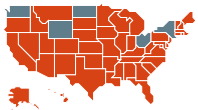

- 10% commission
- A rated carrier
- Full underwriting authority for fast turnaround time
- Minimum payroll: \$12,000¹
- Multi-state exposures
- Flexible payment options, including monthly payroll reporting²

Small business
