

Chubb Batch Initiative

With over 25 years of experience in cyber insurance, Chubb has developed the Cyber ERM and Digitech ERM, two tailored insurance solutions designed to address business's specific Cyber and Technology E&O needs, regardless of their size, industry, or risk profile.

What We Offer

25% Commission

Versus 20.5% for digitally solicited new business.

State-of-the-Art Enhancements

Every quote comes with enhancement endorsements to ensure the desired insurance coverage for our customers.

Admitted Paper

Chubb offers an admitted insurance solution in 48 states, excluding Hawaii and Alaska.

Streamlined Application Process

No upfront application is required. To get started, we only need 8 firmographic data points for a successful batch run.

Crime Limit Eligibility

\$500,000 Crime Limits for eligible accounts with policy aggregate limits of \$1 million or higher.

Flexible Billing Options

While we default to direct bill, we can also accommodate agency bill on a case-by-case basis. Additionally, we offer installment options of up to 10 payments.

Straight-Through Processing (STP)

With our STP capabilities, accounts with revenues up to \$100 million, premiums up to \$35,000, and limits at or below \$5 million can enjoy automatic renewals. This is subject to acceptable security review results and underwriting restrictions.

Efficient Book Optimization and Consolidations

We provide bindable terms up to 90 days from today, allowing for seamless book rolls and consolidations.

Sidecar Endorsement on Batch Quotes

Optionality to include Chubb's Sidecar endorsement on batch quotes. The endorsement makes our Cyber Incident Response Fund in addition to the aggregate limit.

Online Eligibility

Revenue Threshold:

Designed for businesses with annual revenues under \$100 million.

Flexible Limits and Retention:

Our online eligibility allows for flexibility in limit and retention options, ensuring that insurance coverage can be customized to suit your requirements.

Underwriting Appetite:

Our online quoting criteria is aligned with our overall portfolio strategy.

Quick Turnaround Time:

With our online submission process, over 80% of submissions receive a bindable quote or result directly. For submissions that require further review, we strive to provide a turnaround time of 24 hours for most referrals.

Additional Powerful Services

Chubb Cyber Stack¹

A curated collection of services designed to address the most pressing cyber exposures facing small businesses today. Small businesses with less than 100 employees can receive all or any of the services on a complimentary basis for a full year and enjoy up to \$28,000 in savings. This includes access to a dedicated Cyber Risk Advisor to provide on-demand consulting on essential security features and controls.

Vulnerability Management Outreach Program

Cyber insureds receive alerts for critical vulnerabilities that have a high probability of exploitation and have been identified to be on their network, throughout the policy term on a complimentary basis.

Cyber Services²

Complimentary and discounted loss mitigation services (where permitted by law) and advisory resources that can assist policyholders with incident response preparation, staying ahead of vulnerability exploits, improving front-line defenses, and potentially preventing malicious activity from entering and spreading in their network.

Our Dedicated Teams

Cyber Claims:

With a dedicated team of 20 adjusters and a Cyber Claims Analytics team, we ensure prompt and efficient handling of claims. Since 2007, we have successfully handled over 28,000 claims, providing our clients with the support they need during challenging times.

Knowledgeable Cyber Underwriters:

Our Cyber Digital underwriting team includes 14 dedicated Cyber underwriters, in addition to our field operations.

Incident Response Services:

When an incident occurs, our cyber policies provide a specialized panel of incident response service providers. These specialists are available 24/7/365 and guide policyholders in recovering from any cyber event, including: Incident Response Management, IT Forensics, Legal Resources, Public Relations, and more.

1. Terms and conditions are subject to change. The complimentary cost is a one-year period and is applicable only to policyholders who are net new subscribers/customers to the respective services. Furthermore, eligible policyholders must meet the size limitation of having 100 employees or less to qualify for select services. Review specific terms and conditions of each service provider to ensure eligibility and to stay updated on any changes that may occur. Average savings based on countrywide survey of participating vendors from 6/15/24 to 7/15/24 who reported pricing for their services without cyber insurance in place. Savings comparison does not apply in MA.

2. The services referenced are provided by a third-party vendor not affiliated with Chubb. The fact that offers and potential discounts may be made available by the third-party vendor is not an indication that insurance coverage is available under any Chubb policy for any particular incident. Discounts on products and services offered by this vendor are available only to Chubb policyholders with current in-force policies and are subject to applicable insurance laws. For products and services provided, the policyholder and third-party vendor would enter into a vendor relationship directly. Chubb will not be involved in the policyholder's decision to purchase services and has no responsibility for services that may be provided.
