

DEALERTRANSIT
A RISK THEORY COMPANY

Dealer Transit : Built by Risk Point. Trusted by Dealers

Protected Moves:

- Auction → Dealer
- Dealer → Dealer
- Dealer → Customer

- Active GPS tracking & notification
- Fixed pricing algorithm
- Predictable transport at a predictable price
- Bank Quality Security Protocols
- Transport Carrier Vetting
- Nationwide Coverage

Why We're Different

Exclusive to **Risk Point** dealer clients at **NO ADDITIONAL COST!**

In the event of a total theft loss in transit:

- Your dealer pays **$0 for the deductible**
- Your dealer has **$0** attributed to their loss run

We close the "gap" with a policy enhancement when booked through Dealer Transit:

- All Auto-Theft in-transit claims are protected when properly booked through Dealer Transit
