FASTER WITH AMERISAFE®
GEAUX

HOW TO: SUBMIT APPLICATIONS INTO GEAUX

REMINDER: A complete submission includes a completed ACORD 130, Current Loss Control Contact Information and Current Valued Loss Runs

To upload applications into GEAUX:

- Select **New Submission** 

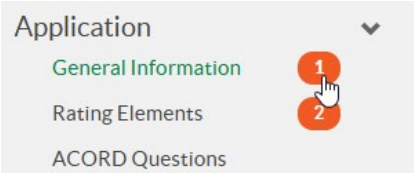

- Select **Upload from ACORD Application** 

  - If you do not have an ACORD, you can complete the application manually
- Select **Browse** and upload your ACORD 

- Enter your **Quote Needed By** date 

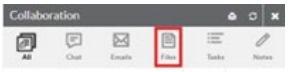

- Select **Create Application** 

- Once the upload is complete, select **Yes** to complete the application
- Complete any required fields - they are notated by orange orbs 

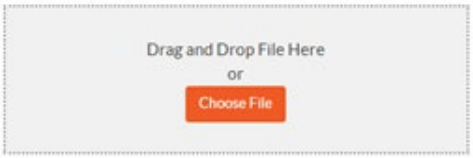

When all required Fields are competed, it's time to upload your additional documents.

To upload additional Documents (Loss Runs, Mods, etc.)

- Select the **Collaboration Tools**
- Then select **Files** 

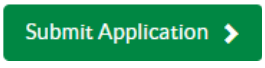

- Then **New** 

- Simply **Drag and Drop** your documents or select **Choose File**

- Then **Select Upload File** 

- Once you've uploaded all of your additional documents, select **Submit Application**
