

Excess Workers' Compensation

Healthcare

Healthcare providers keep communities healthy, and the clinicians, staff, and researchers who deliver that care deserve comprehensive and reliable Workers' Compensation coverage. EMPLOYERS' Excess Workers' Compensation product is tailored to healthcare systems, hospitals, assisted living facilities, and medical research institutions. It delivers a flexible, data-driven solution that helps to protect against catastrophic loss while converting risk into a strategic advantage.

With EMPLOYERS, healthcare leaders gain peace of mind, measurable savings, and future-ready coverage so they can focus on what matters most: delivering safe, high-quality patient care and advancing medical innovation.
