

We want our partnership to be as successful as possible and knowing what Insureon does best as a digital agency is key to that success. We offer a broad range of coverage options by partnering with the nation's top small business insurance companies. While the list below is not all inclusive, it shows several examples of preferred business classes we write. Clients fill out our online application to compare quotes and get the right coverage.

Ineligible exposures/classes

Insureon prides itself in delivering best-in-class client experiences for small business owners. There are certain business classes and markets that are not the right fit, or we do not have a carrier who will provide coverage for certain types of risks. That includes the following classes as well as property coverage in high-risk areas such as coastal areas, wind, flood and wildfire zones.

- Trucking/Towing/Livery/Rideshare
- Farming/Agriculture/Equine
- Garage/Car Dealers New or Used
- Roofing/Welding/Snowplowing/Paving/Excavation
- Hotels/Motels or any short-term rentals Risks (i.e. VRBO, Airbnb)
- Boats/Marinas or Marine type risks
- Airplanes/Aeronautical Risks
- Oil and Gas
- Social Media Influencers/Movie/Podcast/ Studios
- Bitcoin Mining / Crypto related work
- Habitational Risks (residential)
