Value Seekers

Our best fit clients for the Professional and Financial Services industry

Our focus for the professional and financial services industry is on business owners seeking extensive, industry-specific coverage that ensures their business is protected on all fronts.

Who they are:

- Decision makers who prioritize securing extensive coverage for their company's needs and prefer that most of their policy needs are met by a single carrier
- Professionals who place a higher importance on coverage value relative to price
- Leaders seeking industry-specific policies tailored to their unique risks

What they want:

Comprehensive coverage

Ensuring that their business is protected on all fronts

Industry-specific policies

Tailored solutions for their unique business needs

Quality claims service

Reliable and efficient claims-handling

Why Nationwide®?

Nationwide understands the unique needs of small commercial personal services businesses. We offer flexible, value-driven coverage options backed by industry expertise and a commitment to long-term stability. Our tailored policies and risk management resources reinforce that our clients are protected today — and ready for tomorrow.

Eligibility for Professional and Financial Services

Our focus is on businesses that offer customized, knowledge-based services to clients, requiring professional degrees, licenses or certifications, and unique skill sets.

Businessowners

- Up to \$20 million in building and business personal property
- \$10 million max total insurable value (TIV) per building
- Up to \$20 million in total sales
- Story height less than or equal to 6 if frame, joisted masonry or noncombustible, and less than or equal to 10 if masonry noncombustible or better, unless tenant only

Commercial Auto

- Fewer than 20 power units

Cyber Liability and Employment Practices Liability

- Automatically offered on all eligible businessowners policy (BOP) quotes
- Available limits up to \$1 million
- Available for the majority of target classes

Workers' Compensation

- Fewer than 50 employees
- Up to \$2 million in total payroll exposure

Specialized coverages

- Accountants Specialized Endorsement
- Architects & Engineers Specialized Endorsement
- Attorneys Specialized Endorsement
- Consultants Specialized Endorsement
- Professional Specialized Endorsement

Surety & Fidelity Bonds

- Designed to help protect professional and financial business operations from a variety of fraudulent risks, including theft and employee fraud
- Learn more about our [scope of coverage](#)

Key underwriting guidelines

- New ventures may be considered
- Architects and engineers should not be engaged in actual construction activities
- For classes outside small commercial appetite, learn about [professional liability coverage](#) available through E-Risk

AVOID

- Banks and financial institutions
- Surveying and mapping services
- Testing laboratories and services
- Research and development

Shop Steward

Our best fit clients for the Auto Services industry

Our focus for the Auto Services industry is on shop owners who prioritize strong protection, exceptional claims support, and specialized guidance to help keep their operations running without disruption.

Who they are:

- Business owners who prefer specialization over simplicity, seeking best-in-class protection
- Leaders who expect dedicated claims teams, clear communication and quick resolution
- Operators who rely on risk management as a margin protector; they value actionable tools and industry-specific insights

What they want:

Claims support

Exceptional claims service with speed, transparency and dedicated support

Breadth of coverage

Tailored protection for their unique shop setup, staff, equipment and fleet

Risk management

Resources that help minimize downtime, control costs and prevent disruptions

Why Nationwide®?

Nationwide is a specialized protection partner for auto service businesses, offering extensive coverage options backed by fast, dedicated claims support. Our digital tools, risk management resources, and industry-specific expertise help shop owners operate with confidence, protect margins, and stay ahead of evolving challenges.

Eligibility for Auto Services

Nationwide's Auto Services appetite is designed for small to medium automobile or repair businesses that work on private passenger vehicles, vans, SUVs and light to medium trucks with a gross vehicle weight (GVW) under 20,000 pounds.

Businessowners

- Up to \$20 million in building and business personal property
- \$5 million max TIV per building
- Up to \$20 million in total sales
- \$5 million max sales per location

Commercial Auto

- Fewer than 20 power units

Cyber Liability and Employment Practices Liability

- Automatically offered on all eligible BOP quotes
- Available limits up to \$1 million
- Available for the majority of target classes

Workers' Compensation

- Fewer than 50 employees
- Up to \$2 million in total payroll exposure

Specialized coverages

- Garagekeepers and Broadened Garage Liability are available
- An Auto Service Program is available, including needed coverages such as Employee Portable Tools and Equipment
- Repair Services Specialized Endorsement

Surety & Fidelity Bonds

- Designed to help protect business operations
- Most states require motor vehicle dealers to secure a bond to legally operate
- Learn more about our [scope of coverage](#)

* \$500,000 minimum in New York City and surrounding counties.

Key underwriting guidelines

- New ventures may be considered
- Minimum gross sales of \$250,000*
- Sales of nonautomotive products or services should not exceed 10% of total receipts
- No work is allowed on high-performance vehicles, truck engines, or vehicles used in racing or competitive events; motor homes or watercraft; motorcycles, scooters or ATVs
- Towing activities should be incidental; no contract towing
- Risks should not provide rental vehicles or loaner cars to customers
- Auto body shops must have UL-approved paint booths that meet NFPA 33 standards
- Liquefied petroleum gas (LPG) filling is not eligible, but exchange is acceptable with adequate controls
- Risks should not have impoundment yards, rental operations, tire recapping operations or split-rim work

AVOID

- Car washes
- Automotive brake repair shops
- Tire dealers

Strategic Shoppers

Our best fit clients for the Personal Services industry

Our focus for the personal services industry is on business owners seeking extensive, industry-specific coverage that ensures their business is protected on all fronts.

Who they are:

- Forward-thinking business owners who seek flexible insurance solutions that can be customized and have the ability to adapt with growing operations
- People-centric leaders who value carriers that offer tailored support and understand the personal services industry's unique risks
- Coverage-conscious decision makers who seek protection and competitively priced solutions that balance value and cost

What they want:

Best in class value

Expect coverage value relative to price; willing to work with multiple carriers to receive what they want

Competitive products

Prioritize products and price stability when deciding on a carrier

Customized coverage

Not one-size-fits-all — options are customized to meet specific business needs

Why Nationwide®?

Nationwide understands the unique needs of small commercial personal services businesses. We offer flexible, value-driven coverage options backed by industry expertise and a commitment to long-term stability. Our tailored policies and risk management resources reinforce that our clients are protected today — and ready for tomorrow.

Eligibility for Personal Services

Our focus is on small businesses that provide services aiding in routine household operations and general needs of individuals and businesses.

Businessowners

- Up to \$20 million in building and business personal property
- \$10 million max TIV per building
- Up to \$20 million in total sales
- \$5 million max sales per location

Commercial Auto

- Fewer than 20 power units

Cyber Liability and Employment Practices Liability

- Automatically offered on all eligible BOP quotes
- Available limits up to \$1 million
- Available for the majority of target classes

Workers' Compensation

- Fewer than 50 employees
- Up to \$2 million in total payroll exposure

Specialized coverages

- Service program
- Repair Services Specialized Endorsement

Key underwriting guidelines

- New ventures may be considered
- Property should occupy less than 50,000 square feet of space in the building, with the service being a majority of the occupancy; there should be less than 25,000 square feet of storage
- Barbers and beauticians should not offer services beyond normal haircutting, perms, highlighting, tinting, manicures, etc.
- Dry cleaning plants should have retail outlets and should not do a substantial amount of specialty work such as furs, high-value rugs, leathers, etc.
- Professional liability is available for funeral directors and beauticians

AVOID

- Reupholstery/furniture repair
- Association/club risks, including homeowners associations
- Day spas or other risks offering electrolysis, permanent makeup risks, tanning, acupuncture, piercing, tattooing, waxing or other similar services
- Medical spas

Peace of Mind Protectors

Our best fit clients for the Pet Care Services industry

In the pet care industry, compassion and quality go hand in hand. Our focus is businesses that seek insurance solutions which not only offer competitive products and stability but also reflect their deep commitment to trust, service excellence and tailored protection.

Who they are:

- Decision makers who value competitive products and price stability while striving to offer the highest-quality care and services
- Professionals who prioritize overall service quality and long-term peace of mind, reflecting their commitment to compassion, trust and customer care
- Leaders seeking tailored, industry-specific coverage that aligns with the unique risks of their business and supports their mission

What they want:

Dedicated claims service

Experts available to handle claims and offer personalized support

Tailored coverages

Options that reflect the unique risks of pet services businesses

Single carrier

A preference for having most policy needs met by one company

Why Nationwide®?

Nationwide understands the unique needs of small commercial personal services businesses. We offer flexible, value-driven coverage options backed by industry expertise and a commitment to long-term stability. Our tailored policies and risk management resources reinforce that our clients are protected today — and ready for tomorrow.

Protected Pros

Our best fit clients for Contractors

Our focus in the contractor space are professionals who value comprehensive coverage, financial stability and quick, reliable support. They look for a carrier that offers more than just a policy; they want a long-term partner.

Who they are:

- Business owners who value relationships over transactions
- Decision-makers who seek broad, industry-specific coverage and risk management tools
- Contractors who prioritize the financial strength and stability of their insurance carrier because they know reliability matters

What they want:

Breadth of coverage

Comprehensive coverage from a single carrier that meets most of their business needs

Self-service convenience

Streamlined digital access to self-service tools and account support

Safety information

Proactive risk management services to safeguard their teams and assets

Why Nationwide®?

Nationwide understands the unique needs of small commercial personal services businesses. We offer flexible, value-driven coverage options backed by industry expertise and a commitment to long-term stability. Our tailored policies and risk management resources reinforce that our clients are protected today — and ready for tomorrow.

Key underwriting guidelines

- New ventures may be considered
- Risk transfer with subcontractors is required, including being named as additional insured on the subcontractor's policy
- Construction defect considerations may make certain classes in certain states undesirable
- Communications equipment installation WC guidelines:
 - Line installation from the street to home is within appetite
 - Tower installation, directional boring, and underground cable installation are outside appetite
- Errors & Omissions coverage is available for certain classes

AVOID

- General/paper contractors
- Handypersons
- Excavation/grading of land
- Roofing
- New residential construction

Established Merchant

Our best fit clients for the Retail industry

Our focus for the retail industry is experienced business owners who look for broad coverage from a carrier who understands the demands of operating an established storefront.

Who they are:

- Tenured business owners with deep roots in their communities
- Retail operators who prioritize price stability and practical, value-driven coverage
- Decision-makers who value trusted guidance from agents and industry experts

What they want:

Broad coverage options

A wide range of protection that's customizable for their retail operation needs

Competitive value

Coverage packages that balance cost with comprehensive benefits

Personal connection

Agents and carriers who provide connection beyond a transactional experience

Why Nationwide®?

Nationwide provides the value, stability and support that matter most to retailers. Our flexible coverage offerings and comprehensive resources help to give Established Merchants the confidence to navigate challenges and grow with confidence.

Eligibility for Retail

Our focus is on a wide range of retail businesses that primarily conduct their operations from a brick-and-mortar storefront.

Businessowners

- Up to \$20 million in building and business personal property
- Up to \$20 million in total sales
- \$5 million max sales per location
- 25,000 max square footage for a retail building

Commercial Auto

- Fewer than 20 power units

Cyber Liability and Employment Practices Liability

- Automatically offered on all eligible BOP quotes
- Available limits up to \$1 million
- Available for the majority of target classes

Workers' Compensation

- Fewer than 50 employees
- Up to \$2 million in total payroll exposure

Specialized coverages

- Retail Trade Specialized Endorsement

Surety & Fidelity Bonds

- We offer multiple bond solutions, which are designed to help protect business operations against financial liability
- Learn more about our [scope of coverage](#)

Key underwriting guidelines

- New ventures may be considered
- Risks may include storage facilities in a separate building owned by the insured, which are incidental to an eligible retail risk and do not exceed 25,000 square feet
- Risks should operate from a retail location and not primarily act as a contractor
- Occupancies with a high exposure to business personal property theft must have a central station security alarm system
- Operations should not have more than 10% of receipts derived from rental of personal property and should not have more than 5% of receipts derived from sales of used merchandise
- Florists should not grow stock for sale by others, employ landscape gardeners or designers, operate greenhouses or care for live plants away from the insured location

AVOID

- Tire dealers
- Convenience stores
- Grocery stores
- Liquor stores

Value Validators

Our best fit clients for the Health Care Service industry.

Our focus for the health care services industry is on value-driven decision-makers who seek comprehensive, industry-specific coverage backed by financial stability and dedicated claims support.

Who they are:

- Strategic decision-makers who want a carrier with strong financial stability to ensure long-term reliability
- Prepared planners who seek broad coverage and dedicated claims support
- Coverage optimizers who will leverage multiple carriers to build tailored insurance portfolios

What they want:

Quality claims service

Responsive and efficient claims-handling

Breadth of coverage

Protection that covers a wide range of their business insurance needs

Single carrier

Lean toward single-carrier ease, yet prioritize best-in-class protection

Why Nationwide®?

Nationwide is a specialized commercial carrier offering competitive coverage options, strong financial stability, and a reliable claims experience that aligns with the priorities of health care professionals. Our ability to cover a wide range of policy needs and provide tailored solutions helps ensure peace of mind and long-term value.

Understanding the needs of Value Validators in the health care services industry allows you to tailor your approach and build strong, lasting relationships with these discerning clients.

- Fewer than 50 employees
- Up to \$2 million in total payroll exposure

Specialized coverages

- Office Program
- Health Care Specialized Endorsement

Surety & Fidelity Bonds

- Designed to help protect business operations against the risk of fraud and employee dishonesty, and to help ensure that patients receive quality products and services
- Learn more about our [scope of coverage](#)

Key underwriting guidelines

- New ventures may be considered
- Buildings should be occupied principally for office purposes
- Professional liability is not available

AVOID

- Mental health and substance abuse centers
- Surgery centers
- Pathology laboratories
- Ophthalmologists

Protection planner

Our best fit clients for the Food Services industry.

Our focus for the food services industry is on business owners who seek broad, customizable coverage options backed by a carrier offering strong protection and industry expertise.

Who they are:

- Value-driven decision-makers who prioritize getting the most coverage for their investment
- Business owners who expect convenience and want self-service tools at their fingertips
- Protection-conscious leaders who seek broad, customizable coverage

What they want:

Customized coverage

Ability to customize coverage for unique risks

Streamlined protection

A single carrier that provides broad protection for most of their business needs

Breadth and balance

Prioritize breadth of coverage paired with price stability when selecting a carrier

Why Nationwide®?

Nationwide specializes in commercial insurance for key industries, offering extensive coverage options and customization. With online tools and risk management resources, we help members manage protection with confidence and convenience.

Understanding the needs of Protection Planners in the food services industry helps you tailor your approach and build lasting relationships with clients who prioritize simplicity and strong protection.

Eligibility for Food Services

Our focus is on establishments with permanent locations that prepare and serve food directly to customers. These establishments emphasize food over liquor and are not drinking destinations.

Businessowners

- Up to \$20 million in building and business personal property
- Up to \$20 million in total sales
- \$5 million max sales per location
- Minimum gross receipts of \$250,000 for limited cooking, \$500,000 for full cooking and \$750,000 for fine dining⁷

Commercial Auto

- Fewer than 20 power units
- Risks doing food delivery are ineligible for non-owned auto coverage

Cyber Liability and Employment Practices Liability

- Automatically offered on all eligible BOP quotes
- Available limits up to \$1 million
- Available for the majority of target classes (franchised fast food may be limited)

Workers' Compensation

- Fewer than 50 employees
- Up to \$2 million in total payroll exposure

Specialized coverages

- Food Service Specialized Endorsement

Surety & Fidelity Bonds

- Designed to help protect business operations by reducing the risk of nonpayment and offering security to cover state and federal sales taxes
- Learn more about our [scope of coverage](#)

Key underwriting guidelines

- New ventures are not eligible; limited exceptions may be made for franchised risk and new locations for existing customers
- Operations must be year-round
- Buildings must be designed for restaurant or food service occupancies
- Risks doing food delivery are ineligible for non-owned auto coverage
- Restaurants open past 10 p.m. are ineligible
- If alcoholic beverages are served, these receipts may not exceed 35% of total gross receipts
- Liquor liability coverage may be available by endorsement and is subject to liquor underwriting criteria; go to ReferenceConnect or contact your underwriter
- Catering receipts should not exceed 20% of total gross receipts
- Sprinklers may be required based on TIV

AVOID

- Bars
- Caterers
- Mobile food services

⁷ Limited cooking: \$500,000 minimum in California and New York City and surrounding counties. Full cooking: \$750,000 minimum in New York City and surrounding counties; \$1 million minimum in California. Fine dining: \$1 million minimum in California and New York City and surrounding counties.

Eligibility for Real Estate

Our focus spans habitational and lessors risk properties, along with real estate agents and appraisal companies. We look for ownership and professional operations that demonstrate strong risk management, reliable tenant supervision, and well-maintained premises.

Businessowners

- Up to \$20 million in building and business personal property
- \$10 million max TIV per building
- Up to \$20 million in total sales
- \$5 million max sales per location
- HAB is 1-4 family dwellings

Commercial Auto

- Fewer than 20 power units

Cyber Liability and Employment Practices Liability

- Automatically offered on all eligible BOP quotes
- Available limits up to \$1 million
- Available for the majority of target classes

Workers' Compensation

- Fewer than 50 employees
- Up to \$2 million in total payroll exposure

Surety & Fidelity Bonds

- Designed to help protect operations by supporting licensing and regulatory requirements for brokers, agents and property managers
- Learn more about our [scope of coverage](#)

Key underwriting guidelines

Habitational

- Building updates required for dwellings 50 years of age and older
- Age of building guidelines for apartments, condos and townhome associations
 - Frame and joisted masonry construction
 - 1-25 years if unsprinklered
 - 26-50 if sprinklered
 - Noncombustible and better construction
 - 1 -50 years whether sprinklered or unsprinklered
 - Proof of updates will be required if outside building age guidelines

Lessors Risk

- Strip Malls are ineligible. The following are not considered strip malls and may be eligible:
 - Single or two-tenant buildings
 - Stand-alone office buildings with shared reception areas but no retail
 - Business parks with separate structures and no shared customer traffic
- Avoid Lessors Risks with combined habitational and full cooking restaurant occupancies
- Restaurant tenants in buildings 50+ years of age are ineligible for Lessors Risks
